Capsule Depot empty hard gelatin capsules, do not contain, and are not produced from genetically modified organisms as defined by the Directive 2001/18/EC and subsequent amendments, of the European Parliament and of the Council.

Consequently, they are not concerned by Regulation (EC) n° 1829/2003 on genetically modified food and feed, or by the Regulation (EC) n° 1830/2003, concerning the traceability and labeling of GMO, and the traceability of food and feed products from GMO, amending Directive 2001/18/EC.
